Rep. Donna Howard to Host Series of Town Hall Meetings
Local Lawmaker to Offer Wrap-Up of Legislative Session and Gather Community Feedback

(AUSTIN) — State Representative Donna Howard today announced that she will host a series of town hall meetings across the community in the month of October.

"The 84th Legislature could best be described as an exercise in missed opportunities and misplaced priorities," Rep. Howard said, "but lawmakers still made some notable advances in a variety of areas. These town hall meetings will provide an opportunity for House District 48 constituents to learn more about how recent legislative actions on the state budget, education, property taxes, and other issues will affect them and impact our community."

The first meeting is slated for Tuesday, October 6th at Small Middle School from 6:00 p.m. to 8:00 p.m. As with the others, attendees should feel free to come and go at their convenience.

"I hope that district residents will use these informal gatherings as an opportunity to ask questions, exchange information, and share their best ideas for meeting the challenges we face here in Travis County and throughout Texas," Howard said.
