

# Texas Weekly's Hot List

## The most competitive races in the Texas General Election

We lifted this idea from the inventors of the federal terror watch, ranking districts by the threat to each incumbent (or incumbent party, in the case of open districts) and giving each group garish colors. *Yellow* means there's trouble on the sidewalk. *Orange* is trouble on the front porch. *Red* is trouble walking in the door. Incumbents' names are in bold.

**We'll update this every week until the election.**
