The next step will be to secure the Finance Committee's support for our proposal. It's likely that the lieutenant governor and other senators will amend our list of recommendations (preferably by adding, not cutting).

> On another subject, Senator Eltife asked me yesterday what was the appropriate way to recommend [REDACTED] for co-enrollment at UT. [REDACTED] is a family friend of his who wasn't admitted, but hopes to be admitted by way of co-enrollment. (I sent the information to you earlier.) Is this the best alternative, or are there others?
