The University of Texas System
601 Colorado Street
Austin, Texas 78701-2982

Dear Chancellor Cigarroa:

I am concerned that documents have been withheld from the production(s) made in response to my document requests. Accordingly, I request that Neera Chatterjee, Zeena Angadicheril, Kristy Orr, and Karen Rabon come to my office on Thursday, May 2, to discuss at least the following:

- The internal process normally used by the UT System to respond to such requests.
- The internal process that was followed here.
- Any manner in which the process followed here differed from that normally used.
- The number of people contacted to deliver documents in responding to the request(s).
- The total number and pages of documents gathered from those people for review by the reviewing personnel.
- The total number of documents and pages delivered to my office after such review.
- The total number of documents and pages still under review.
- Whether some documents and pages not produced were sent to someone else, such as the Office of Attorney General, for any purpose.
- What reasons exist or existed for such documents and pages being diverted from production?
- Where are the documents that were gathered but not delivered to me?

Please have them call my scheduler, Nathan Lerma, to arrange a time, though I would prefer 8 a.m. Thank you for your prompt attention to this matter.

Very truly yours,

A handwritten signature in cursive script that reads "Judith Zaffirini".
