

VERIFICATION OF VOTER STATUS

Dear Voter:

It is the responsibility of my office to maintain an accurate list of registered voters in our county. This letter is being sent in accordance with my duty outlined in the Texas Election Code and is part of our ongoing effort to uphold our mandate of ensuring the integrity of the voter registration rolls.

Federal and State laws require multiple agencies to notify local voter registrars of potentially deceased persons, which local voter registrars must then act upon. Information from one of these agencies closely matches the information we have for the individual listed below:

MOORE, MICHAEL [REDACTED]
[REDACTED]

If this information is incorrect, please respond to this verification notice within thirty (30) days to prevent the cancellation of the person listed above and the removal of his/her name from the list of registered voters.

For more information about how the voter registration process works or how a voter's status is verified, please visit the Election Information section on the Secretary of State's website at www.sos.state.tx.us.

For any questions, please contact our office at (512) 854-9473.
