On 9-21-11 at approximately 1500 hours, Det. Tumlinson and I arrived at the Systems Building as a precautionary measure during the termination of Jay Kimbrough. This is normal operating procedure when requested by other Departments within the University. At approximately 1630 hours, Kimbrough, Ray Bonilla and Scott Kelly entered into a closed door meeting. A short time later Kimbrough left the office and Bonilla and Kelly walked across the hallway where Det. Tumlinson and I were waiting. Bonilla stated that Kimbrough refused to hand over his keys and pass card and that Kimbrough brandished a knife in a non-threatening manner. According to Bonilla, Kimbrough stated "If anyone is man enough to take them (referring to the keys and pass card) bring it on." Bonilla and Kelly thought it would be best if Kelly went to Kimbrough's office and speak with him once more in an attempt to get Kimbrough to leave the area peacefully. During this time staff members of the Chancellors Office were asked to leave for the day. Kelly exited the second meeting with Kimbrough and stated that he was still refusing to leave or turn over the requested items. It was determined that we would wait until 1700 hours and let Kimbrough leave on his own terms.

At approximately 1650 hours, Kimbrough left the building and walked to his vehicle. Kimbrough stopped and paused for a few seconds at his vehicle and then returned to come back inside the building. At that point it was decided by Kelly and Bonilla that Kimbrough would not be allowed to re-enter the Chancellors suite. I met Kimbrough at the entrance to the Chancellors suite and identified myself as a University Police Officer. Kimbrough replied, "So am I." Kimbrough placed his hand on both my arms and applied slight pressure towards the entrance of the Chancellor's Suite. I placed my hands on Kimbrough and held my ground. I explained to Kimbrough that his access to the building had also been terminated and that he would need to leave the building. Kimbrough stated, "that this is a lawyer thing" and "they need to learn to be more subtle". Kimbrough removed his hands from my arms and asked if we were going to escort him out. I explained to him that we were going to follow him out. Kimbrough stated, "I shall return". Kimbrough then left the building without further incident. Kimbrough walked to his vehicle and left the area. No further action was taken, no charges are being filed.
