**Designated Doctor List - A designated doctor is a doctor selected by Texas Department of Insurance, Division of Workers' Compensation (TDI-DWC) to make a recommendation about an injured employee's medical condition or to resolve a dispute about a work-related injury or occupational illness. The injured employee, the employee's representative, the insurance carrier or TDI-DWC can request an examination by a designated doctor. TDI-DWC will determine if a designated doctor should be appointed to conduct the exam.
