RE: Petition for Writ of Mandamus to the Secretary of State

Dear Mr. Woodfill,

You have included my name as a Relator on this legal matter. I did not agree to join this cause of action. I do not agree with the basic construct of the matter. You are not authorized to represent me on this or any other matter. I demand that you withdraw my name and make every effort to see that it is stricken from every record.

Cordially,

A handwritten signature in black ink that reads "Donna Campbell M.D." in a cursive script.

Donna Campbell, M.D.
