

We, the undersigned precinct chairs of the Harris County Republican Party, wish to thank Mr. Nielsen for his June 6th announcement of his declination to take the office of Harris County Republican Party Chairman.

This difficult decision rightfully put our party over personal interest. This allows the Republican Party to move forward towards victory in November.

We look forward to working with the Republican Party of Texas to address the vacant chairmanship, elect a new Harris County Republican Party Chairman, and conduct the important business of selecting our Party's nominee for County Clerk at the upcoming Harris County Republican Party Organizational Meeting.

Onward to victory,
