Re: School District Content Inquiry

Dear Ms. Laux and Superintendents:

Recently, a number of Texas school districts around the state including Carroll ISD<sup>1</sup>, Spring Branch ISD<sup>2</sup>, Lake Travis ISD<sup>3</sup>, Leander ISD<sup>4</sup>, and Katy ISD<sup>5</sup>, have removed books from libraries and/or classrooms after receiving objections from students, parents, and taxpayers.

I am writing to you as the Chairman of the Texas House Committee on General Investigating. Pursuant to Government Code Section 301.020(a)(4), the committee may initiate inquiries concerning any “matter the committee considers necessary for the information of the legislature or for the welfare and protection of state citizens.”

In accordance with the Committee’s jurisdiction and my authority as Chairman, I am initiating an inquiry into Texas school district content and request preliminary information regarding the following:
