Dear [REDACTED]

Everyone age 65 and older has earned the right to vote early by mail. As Republicans, we have fought to make it easier to vote while protecting election integrity, so we need to make sure we increase our turnout by taking full advantage of this convenient and secure voting option.

**That's why I'm sending you this official, easy to use, vote by mail application. Simply complete and return the enclosed application in the reply envelope provided by February 4, 2022, and you may vote in the comfort and safety of your own home while avoiding crowded polling places during the Early Voting period or on Election Day.**

Democrats are bragging again that they are going to turn Texas blue, and I am not about to let that happen!

In the most recent legislative session, I led the Senate on issues critical to the success of our state: passed election integrity reform, funded border security at historically high levels, fully funding education, keeping our commitments to healthcare, stabilizing our power grid, and promoting public safety by stopping cities from defunding the police – all while keeping the budget below the rate of inflation times population! I passed 27 of my 29 priority bills and many called it the most conservative session in Texas history.

**To help me continue to build on this important progress, I've endorsed a strong team of candidates in the March 1, 2022 Republican primary for the Texas Senate, including Donna Campbell. I hope when you receive your mail-in ballot, you will vote for Donna Campbell and send it in right away.**

*Dr. Donna Campbell is the person we can trust to represent us in the Texas Senate. As a physician, she is fighting government run healthcare so that patients and doctors can make health care decisions, not the federal government.*

*During the most recent legislative session, Dr. Campbell passed election integrity legislation that makes it easier to vote and harder to cheat. She is also endorsed by the NRA and is a strong advocate for our Second Amendment Rights, passing the open carry bill.*

**Please complete and mail in your official application for ballot by mail today, so we can elect these strong leaders and crush the Democrats in 2022!**

All it takes are three easy steps:

1. Provide your drivers license number or other identification number issued by the Department of Public Safety.
2. Sign and date the form.
3. Mail the completed form to the Secretary of State in the enclosed reply envelope and apply a first class stamp.

We must stop the destructive policies of the Biden Administration – open borders, anti-life, anti-Second Amendment and the spending of trillions of dollars that will raise your taxes.

I know with your vote we can once again stop the Democrats in their tracks as they attempt to take over our state and turn it into California.

God Bless Texas,
